

MEOPAR Annual Scientific Meeting – Program Schedule

TIME	Rm	SESSION TOPIC and CHAIR	THURSDAY, June 14, 2018
08:30 – 10:00	C1	Welcome and Plenary – Chris Fogarty, Environment and Climate Change Canada & Kevin Quigley, Dalhousie University	
10:00 – 10:30		COFFEE BREAK	
10:30 – 12:00	C4	Risk Communication at the Local Level: Towards Meaningful Community Collaborations on Environmental Hazards – Town Hall – Joel Finnis	
	101	Atmosphere Related Research in Canadian Universities – Education, Training, Communication and Outreach – Town Hall – Paul Myers	
	103	Weather, shipping and subsistence activities in Arctic regions – Laura Eerkes-Medrano	
	104	Toward a Canadian Ocean Observing System: Current Status and Next Steps and Blueprint for Atlantic Ocean Observing – Joint Town Hall – Mike Smit & Brad deYoung	
12:00 – 13:30		LUNCH BREAK	
13:30 – 15:00	C3	History of Canadian Oceanography – Cristina Tollefsen	
	C4	Collaboration in development, evaluation and analysis of ocean circulation and biogeochemical models – Part 2 – Youyu Lu	
	102	Coupled Environmental Prediction – C. Harold Ritchie	
	103	General Session – Oceans – Clark Richards	
	104	Integrated approaches of climate change impacts on marine fisheries – Travis Tai & General Session – Risks and Impacts – Clark Richards – Part 1	
	105	Fog or Low Visibility – Part 2 – Rachel Chang	
15:00 – 15:30		COFFEE BREAK	
15:30 – 17:00	C3	Ocean Acidification in Canadian Waters – Debby Ianson	Thursday Evening Event: Craft Beer Boat Cruise aboard the Kawartha Spirit
	104	Integrated approaches of climate change impacts on marine fisheries – Travis Tai & General Session – Risks and Impacts – Clark Richards – Part 2	
	C4	Collaboration in development, evaluation and analysis of ocean circulation and biogeochemical models – Part 3 – Youyu Lu	

17:00 – 18:00		Poster Session	7:30-9:30PM
---------------	--	----------------	-------------

TIME	Rm	SESSION TOPIC and CHAIR	FRIDAY, June 15, 2018
08:30 – 08:45		Welcome from the Network	
08:45 – 10:00	C1	Lightning Round – 5-minute presentations from the successful projects that were funded under MEOPAR’s September 2017 Call for Proposals.	
10:00 – 10:30		COFFEE BREAK	
10:30 – 12:00	101	Parallel Session – Data and Ocean Forecasting	
	102	Parallel Session – Communication of Policy and Risk-Relevant Science	
	103	Parallel Session – Incorporating Two-Eyed Seeing in Aquatic and Ocean Resource Management	
12:00 – 13:15		NETWORKING LUNCH and Upcoming Program Announcements	
13:15 – 16:30	C1	Core Session: plenary and breakouts – includes a break with food and drinks available
